Further information about Evonik Operations GmbH

Dear Madam, dear Sir,

We already informed you that effective **July 1, 2020**, Evonik will implement a new corporate structure. Under the umbrella of Evonik Industries AG, the existing group companies in Germany (Evonik Resource Efficiency GmbH, Evonik Nutrition & Care GmbH and Evonik Performance Materials GmbH) will be combined and merged into a single operating company – **Evonik Operations GmbH**.

Simultaneously, we will divide our business in alignment with our growth markets into the following four divisions: Nutrition & Care, Specialty Additives, Smart Materials and Performance Materials. Evonik Technology & Infrastructure GmbH and Evonik Creavis GmbH will also be merged into Evonik Operations GmbH.

By law, all business relationships are automatically transferred to Evonik Operations GmbH as a result of the merger and remain unchanged.

As a customer of one or more of the aforementioned Evonik group companies, day-to-day business continues as normal for you. As of July 1, 2020, all assets, rights, obligations and contractual relationships will automatically and without any action on your part be transferred to the legal successor Evonik Operations GmbH. All quality characteristics of our products (specifications, manufacturing processes, place of manufacture, etc.) will remain unaffected.

The current order address as well as your current contact persons will also remain the same.

What will change for you as of July 1, 2020 is the name of the company: Evonik Operations GmbH. As promised, today we would like to provide you with the following details on Evonik Operations GmbH:

- Company address and tax number
- VAT-registration numbers
- Bank account details

We have summarized this information in a **fact sheet as attached** to this document.

With regard to potentially necessary changes of existing product registrations, potentially required new product registrations/ approvals, or changes needed in any other relevant documents (e.g. import licenses), we kindly advise you to take appropriate actions as soon as possible in order to avoid any delays.

Furthermore, we would like to inform you that documents mentioning one of the aforementioned Evonik group companies which were provided to you remain valid after the transfer to Evonik Operations GmbH. This includes documents such as Safety Data Sheets, ISO certificates, quality agreements, product specification, etc.. These documents will be updated with the new company name beginning with July 1, 2020. However, not all documents will be available at once, but step by step.

We are looking forward to the continuation of our successful partnership, and your usual contact persons are happy to answer any questions you may have.

Sincerely yours,

Evonik Industries AG

ppa. Anke Ludwig

ppa. Dr. Thomas Kreuder
